

FRIDAY NIGHT HOCKEY NEWS

June 2011

2011 Golf Tournament Results (note, if you have pictures send em here!)

The Golf Gods were watching out for us again last Friday night - the course was a bit soggy from showers earlier in the day but no rain in the sacred 5pm - 8pm time slot ! (as they say - it never rains on Friday night ! - knock on wood).

A subsequent review of the scorecards revealed that Flattop and Gilles did not actually win the "low gross" award with 48's. Roy Druce actually had a 46 but was too polite/too much of a gentleman (when did that start ?) to point it out to the Commissioner.

That being said. here are the final results that will go on the trophy :

- Low Gross - **Druce** (46) - a big thank you to Bill Carr for working late and giving us all a chance to win (Bill has won every other year !)
- Most Honest - **Gilmour** (66) - too bad past winners Jeff Bugden and goalie Paul had other commitments or it would have been a real horse race (P.S. poor Gilmour had to play with Druce which is a handicap in itself)
- Fewest Putts - **Dan Gleeson** (14) - a chip off the old block - ties Dad's tournament record from 2009 - good move not to beat the old man
- Best Dressed - **Flat Top** - the waitress picked it - fell in love with the visor with the fake grey spiked hair - if Brad had of been there it would have been a tie - he has the same Ian Poulter visor deal going (but brown hair with "frosted" tips).

Other Prizes (we played the Black Pearl Course at Deer Creek with the island green on #2) :

- Longest Drive (hole #4) - **Roy Druce**(162 yards - a disgrace)
- Longest Drive (hole #7) - **The Hawk**(230 yards - are we getting old or what?)
- Closest to the Pin (hole #5) - **Druce**(aren't you getting sick of this guy winning?)
- Closest to the Pin (hole #9) - **Gilles**(nice guy - too bad he's a Habs fan - will look good on the WHITE team next year)

Hope everyone had a good time!
